<u>Interests</u>
- **Cycling** – I love to regularly cycle long distance, for leisure and commuting.
- **Electric guitar/Bass guitar** – I am currently learning how to play rhythm electric guitar and the bass guitar.
- **Computers** – I have a passion for everything tech. I love building computers and coding, I know how to code in Python and partially in JavaScript.
- **Carpentry** – I now and then I like to build various items out of wood, during lockdown 2020 I temporarily opened an Etsy shop, here I sold handmade candle holders and concrete coasters.
- **Caving** – I am part of the Cardiff University Caving and Canyoning club. I have explored caves in South Wales and the Mendips.
